Puppy Love

Bella and Lucca are all about love, so, of course, they're excited to celebrate Valentine's Day. They're donning **Top Paw Blinged Out** and **Don't Bother Me tanks** (\$12; \$10, PetSmart) for the occasion, and completing their look with a **Henri Bendel West 57th dog leash** (\$78, Henri Bendel). A **heart-shaped box of dog cookies** (\$20, frontgate.com) is the perfect sweet treat to share before a game of fetch with a **Harry Barker heart glasses dog toy** (\$15, WOM The Brick & Mortar). It's true, all you need is love! *@bellaandlucca*
